

RapidReps v3.0 — Manual Testing Checklist

Print this document and check off each item as you test

Test Date: __
Tester Name: __
App Version: 3.0
Device/Platform: ____

Legend

- [] = Not tested
- P = Pass
- F = Fail (note issue on the line)
- S = Skipped (note reason)
- N/A = Not applicable

SECTION 1: HEALTH & INFRASTRUCTURE

#	Test Case	Expected Result	Status
1.1	Open the app URL in browser	App loads without errors	[]
1.2	Hit GET /api/health	Returns {"status": "healthy"}	[]
1.3	Hit GET /api/downloads/user-manual	Downloads PDF file (101KB+)	[]

SECTION 2: ACCOUNT & AUTHENTICATION

2.1 Sign Up

#	Test Case	Expected Result	Status
2.1.1	Tap "Create Account" with valid name, email, password, role=Trainee	Account created, token returned, redirected to home	[]
2.1.2	Tap "Create Account" with valid name, email, password, role=Trainer	Account created, token returned, redirected to trainer home	[]
2.1.3	Try signup with duplicate email	Error: "Email already registered"	[]
2.1.4	Try signup with password < 6 characters	Validation error	[]
2.1.5	Try signup with missing required fields	Validation error	[]
2.1.6	Tap "Already have an account? Log In"	Navigates to login screen	[]
2.1.7	Tap "View Terms of Service"	Opens Terms screen	[]
2.1.8	Tap "View Privacy Policy"	Opens Privacy screen	[]

2.2 Log In

#	Test Case	Expected Result	Status
2.2.1	Login with valid trainee credentials (trainee1@test.com / test123)	Success, redirected to trainee home	[]
2.2.2	Login with valid trainer credentials (trainer1@test.com / test123)	Success, redirected to trainer home	[]
2.2.3	Login with admin credentials (admin@rapidreps.com / admin123)	Success, redirected to admin dashboard	[]
2.2.4	Login with wrong password	Error: "Invalid credentials"	[]
2.2.5	Login with non-existent email	Error: "Invalid credentials"	[]
2.2.6	Verify tagline "Time to lock in" is displayed	Tagline visible on login screen	[]
2.2.7	Tap "Forgot Password?"	Opens password reset flow	[]
2.2.8	Tap "Don't have an account? Sign Up"	Navigates to signup	[]

2.3 Forgot Password / Reset Password

#	Test Case	Expected Result	Status
2.3.1	Enter valid email, tap "Send Reset Code"	Returns success message (email mocked via SendGrid)	[]
2.3.2	Enter non-existent email	Error or appropriate message	[]
2.3.3	Enter code + new password, tap "Reset Password"	Password updated successfully	[]
2.3.4	Tap "Back to Login"	Returns to login screen	[]

2.4 Get Current User

#	Test Case	Expected Result	Status
2.4.1	GET /api/auth/me with valid token	Returns user profile (name, email, role)	[]
2.4.2	GET /api/auth/me without token	Returns 401 Unauthorized	[]

2.5 Delete Account

#	Test Case	Expected Result	Status
2.5.1	Tap "Delete Account" on Profile tab	Confirmation dialog appears	[]
2.5.2	Confirm deletion	Account permanently deleted, redirected to login	[]
2.5.3	Try logging in with deleted account	Error: "Invalid credentials"	[]

SECTION 3: TRAINEE GUIDE

3.1 Home Screen

#	Test Case	Expected Result	Status
3.1.1	Open home screen as trainee	Greeting with your name displayed	[]
3.1.2	Check notification bell icon	Shows unread notification count	[]
3.1.3	"Virtual Session" button visible in "Need a Trainer Now" section	Button present and tappable	[]
3.1.4	"In-Person Now" button visible	Button present and tappable	[]
3.1.5	Sort trainers by Rating	Trainers sorted by highest rating first	[]
3.1.6	Sort trainers by Price (Low to High)	Trainers sorted by cheapest first	[]
3.1.7	Sort trainers by Price (High to Low)	Trainers sorted by most expensive first	[]
3.1.8	Sort trainers by Distance	Trainers sorted by nearest first	[]
3.1.9	Active sort option is highlighted in teal	Visual indicator works	[]

3.2 Trainer Cards

#	Test Case	Expected Result	Status
3.2.1	Each trainer card shows: photo, name, rating, review count	All fields displayed	[]
3.2.2	Training styles shown as tags	Tags visible on card	[]
3.2.3	Price per session shown	Price displayed	[]
3.2.4	Distance shown (if location enabled)	Distance displayed when GPS on	[]
3.2.5	Boosted badge (glow) shown for boosted trainer	Glow indicator visible	[]
3.2.6	Member badge shown for member trainer	Badge visible	[]
3.2.7	Tap "View Profile"	Opens trainer detail screen	[]
3.2.8	Tap "Book Session"	Goes to booking flow	[]

3.3 Trainer Detail Screen

#	Test Case	Expected Result	Status
3.3.1	Profile photo, name, verification badge visible	All displayed	[]
3.3.2	Average rating and total reviews shown	Data displayed	[]
3.3.3	Bio/description shown	Text displayed	[]
3.3.4	Training styles listed	Styles visible	[]
3.3.5	Session types offered (Virtual/Outdoor/In-Home)	Types shown	[]
3.3.6	Pricing for each session type displayed	Prices shown	[]
3.3.7	Reviews from other trainees visible	Review list shown	[]
3.3.8	Tap "Book Virtual Session"	Opens virtual booking flow	[]
3.3.9	Tap "Book Outdoor Session"	Opens outdoor booking flow	[]
3.3.10	Tap "Book In-Home Session"	Opens in-home booking flow	[]
3.3.11	Tap "Save Trainer"	Trainer added to saved list	[]
3.3.12	Tap "Message"	Opens direct message conversation	[]
3.3.13	Tap "Report"	Opens report dialog	[]
3.3.14	Tap "Back"	Returns to home	[]

3.4 Saved Trainers

#	Test Case	Expected Result	Status
3.4.1	Open Saved tab (heart icon)	Saved trainers list displayed	[]
3.4.2	Tap "Unsave"	Trainer removed from saved list	[]
3.4.3	Tap "Book" from saved list	Opens booking flow	[]
3.4.4	Tap "View Profile" from saved list	Opens trainer detail	[]

3.5 Sessions Tab (Trainee)

#	Test Case	Expected Result	Status
3.5.1	Open Sessions tab (calendar icon)	Sessions list displayed	[]
3.5.2	Sessions organized by status: Upcoming, In Progress, Completed, Cancelled	Correct grouping	[]
3.5.3	Each card shows: trainer name/photo, date/time, type, status badge, price	All fields present	[]
3.5.4	Tap "View Details" on a session	Full session info shown	[]
3.5.5	Tap "Cancel" on upcoming session	Cancellation flow starts	[]
3.5.6	Tap "Rate" on completed session	Rating form opens	[]
3.5.7	Tap "View Summary" on completed session	Post-session stats shown	[]
3.5.8	Tap "Mark No-Show" on applicable session	No-show flow starts	[]

3.6 Profile Tab (Trainee)

#	Test Case	Expected Result	Status
3.6.1	Tap "Edit Profile"	Profile edit form opens	[]
3.6.2	Tap "Membership"	Membership screen opens	[]
3.6.3	Tap "Achievements"	Achievement badges displayed	[]
3.6.4	Tap "Notification Preferences"	Notification settings open	[]
3.6.5	Tap "Sound & Vibration Settings"	Sound settings screen opens	[]
3.6.6	Tap "Privacy Policy"	Opens privacy policy	[]
3.6.7	Tap "Terms of Service"	Opens terms	[]
3.6.8	Tap "Log Out"	User signed out, back to login	[]

SECTION 4: TRAINER GUIDE

4.1 Trainer Home Screen

#	Test Case	Expected Result	Status
4.1.1	Availability Toggle visible	Toggle switch displayed	[]
4.1.2	Toggle to "Available"	Status changes, trainer appears in search	[]
4.1.3	Toggle to "Unavailable"	Status changes, trainer hidden from search	[]
4.1.4	Today's Sessions section shows upcoming sessions	List displayed	[]
4.1.5	Pending Requests section shows awaiting requests	Requests listed	[]
4.1.6	Quick Stats show: today's earnings, sessions completed, rating	Stats displayed	[]
4.1.7	Tap "Accept" on pending request	Session accepted	[]
4.1.8	Tap "Decline" on pending request	Session declined	[]

4.2 Trainer Sessions Tab

#	Test Case	Expected Result	Status
4.2.1	Tap "Start En Route" on confirmed session	GPS tracking begins	[]
4.2.2	Tap "Confirm GPS Arrival"	GPS proximity verified	[]
4.2.3	Tap "Start Session"	Session status changes to In Progress	[]
4.2.4	Tap "End Session"	Session completed, summary generated	[]
4.2.5	Tap "Cancel"	Cancellation flow with penalty check	[]
4.2.6	Tap "Mark No-Show"	No-show marked for trainee	[]

4.3 Earnings Tab

#	Test Case	Expected Result	Status
4.3.1	Total Earnings displayed	Lifetime earnings shown	[]
4.3.2	This Month earnings displayed	Current month total shown	[]
4.3.3	Pending Payout amount displayed	Withdrawal amount shown	[]
4.3.4	Recent Transactions listed	Transaction history visible	[]
4.3.5	Tap "Request Payout"	Payout request submitted	[]
4.3.6	Tap "View All Transactions"	Full transaction list opens	[]

4.4 Trainer Profile Tab

#	Test Case	Expected Result	Status
4.4.1	Tap "Edit Profile"	Opens profile edit form	[]
4.4.2	Tap "Upload Intro Video"	Video upload flow opens	[]
4.4.3	Tap "Verification"	Verification status/form opens	[]
4.4.4	Tap "Visibility Boosts"	Boost purchase screen opens	[]

4.5 Edit Profile (Trainer)

#	Test Case	Expected Result	Status
4.5.1	Update Full Name	Name saved successfully	[]
4.5.2	Update Bio (max 500 chars)	Bio saved	[]
4.5.3	Select Training Styles (multi-select)	Styles saved	[]
4.5.4	Set Virtual Rate (verify min \$30)	Rate saved, enforces \$30 minimum	[]
4.5.5	Set Outdoor Rate (verify min \$40)	Rate saved, enforces \$40 minimum	[]
4.5.6	Set In-Home Rate (verify min \$60)	Rate saved, enforces \$60 minimum	[]
4.5.7	Toggle Offers Virtual on/off	Setting saved	[]
4.5.8	Toggle Offers In-Person on/off	Setting saved	[]
4.5.9	Upload Profile Photo	Photo uploaded and displayed	[]

4.6 Trainer Verification

#	Test Case	Expected Result	Status
4.6.1	Submit Personal Information (name, DOB, address)	Step completed	[]
4.6.2	Upload Certification	Document uploaded	[]
4.6.3	Upload Government ID	Document uploaded	[]
4.6.4	Agree to Background Check	Consent recorded	[]
4.6.5	Check verification status	Shows current verification state	[]

4.7 Virtual Request (Trainer Side)

#	Test Case	Expected Result	Status
4.7.1	Receive virtual request notification	Trainee name, session type, details shown	[]
4.7.2	Countdown timer visible	Timer counting down	[]
4.7.3	Tap "Accept"	Session accepted (first-accept-wins)	[]
4.7.4	Tap "Decline"	Declined, system finds another	[]
4.7.5	Timer expires	Auto-decline triggered	[]

SECTION 5: SESSION WORKFLOWS

5.1 Scheduled Session Booking

#	Test Case	Expected Result	Status
5.1.1	Browse trainers on Home tab	Trainer list loads	[]
5.1.2	Tap trainer card to view profile	Profile opens	[]
5.1.3	Select session type (Virtual/Outdoor/In-Home)	Type selected	[]
5.1.4	Pick date and time	Schedule selected	[]
5.1.5	Review price breakdown on confirm screen	Shows: base rate, travel fee, discounts, platform fee, trainer earnings	[]
5.1.6	Verify Multi-session discount (5% on 3rd+ with same trainer)	Discount applied correctly	[]
5.1.7	Verify Membership discount (10% if subscribed)	Discount applied for members	[]
5.1.8	Verify discounts stack (15% for member on 3rd session)	Both discounts applied	[]
5.1.9	Complete Stripe payment	Payment processed	[]
5.1.10	Trainer accepts booking	Both receive confirmation notification	[]
5.1.11	Verify Platform fee = 25%	Correct split shown	[]
5.1.12	Verify Trainer earnings = 75%	Correct split shown	[]

5.2 In-Person Session Flow

#	Test Case	Expected Result	Status
5.2.1	Session status = Confirmed after both agree	Status correct	[]
5.2.2	Selfie verification prompt appears	Both parties prompted	[]
5.2.3	Trainer taps "Start En Route"	GPS tracking begins (5-sec updates)	[]
5.2.4	GPS Arrival confirmation	Trainer within proximity	[]
5.2.5	Session moves to "In Progress"	GPS switches to 15-sec updates	[]
5.2.6	Trainer taps "End Session"	GPS stops immediately	[]
5.2.7	Summary auto-generated	Post-session stats available	[]
5.2.8	Rate & Review prompt	Trainee can rate trainer	[]

5.3 Virtual Session Flow

#	Test Case	Expected Result	Status
5.3.1	Both join virtual session room	Video call starts	[]
5.3.2	Session active (In Progress)	Status updated	[]
5.3.3	Verify default duration = 30 minutes	Timer shows 30 min	[]
5.3.4	Verify duration selectable (30 or 60 min)	Option available at booking	[]
5.3.5	Verify maximum duration = 90 minutes	Cannot exceed 90 min	[]
5.3.6	Grace period = 2 minutes after scheduled end	2-min buffer works	[]
5.3.7	Auto-end after max duration + grace	Session auto-ends, summary generated	[]
5.3.8	Trainer manually ends via "End Session"	Session ends, summary generated	[]

SECTION 6: MATCHING ENGINE

6.1 Location Permission Flow

#	Test Case	Expected Result	Status
6.1.1	Pre-Permission screen shows explanation	"RapidReps needs your location..." message	[]
6.1.2	OS permission prompt appears (iOS: Allow While Using/Once/Don't Allow)	System dialog shown	[]
6.1.3	Permission denied (Soft Decline)	Warning: "Location access needed..." shown	[]
6.1.4	In-person features disabled after soft decline	"In-Person Now" button disabled	[]
6.1.5	Virtual sessions still available without GPS	Virtual button works	[]
6.1.6	Hard Decline (denied again)	"Enable Location in Settings" message on In-Person button	[]
6.1.7	All in-person matching disabled after hard decline	Cannot use in-person features	[]

6.2 Virtual Instant Session

#	Test Case	Expected Result	Status
6.2.1	Tap "Virtual Session" on Home	Searching screen appears	[]
6.2.2	Radar animation visible	Animation playing	[]
6.2.3	Elapsed time counter visible	Timer counting up	[]
6.2.4	"Finding your perfect trainer..." text shown	Text visible	[]
6.2.5	"Cancel!" button visible	Button present	[]
6.2.6	Top 5 trainers notified simultaneously	Trainers receive notifications	[]
6.2.7	First trainer to accept wins (no double-booking)	Only one trainer matched	[]
6.2.8	Boxing-bell sound plays on match	Sound audible	[]
6.2.9	Matched trainer details shown (name, rating, price, photo)	All details visible	[]
6.2.10	"Trainer Found!" notification sent	Notification received	[]
6.2.11	No match within 3 min → progressive wave expansion	Additional trainers notified	[]
6.2.12	All waves exhausted → "No trainers found" with retry	Fallback message shown	[]
6.2.13	Tap "Cancel Search"	Returns to home	[]
6.2.14	Tap "Start Session" on matched screen	Virtual session begins	[]
6.2.15	Tap "Find Another" on matched screen	New search starts (see 6.4)	[]

6.3 Matching Engine Scoring Weights

#	Test Case	Expected Result	Status
6.3.1	Verify ETA weight = 40% (primary factor)	ETA is highest weight	[]
6.3.2	Verify Rating weight = 25%	Rating is second	[]
6.3.3	Verify Price weight = 15%	Price is third	[]
6.3.4	Verify Boost weight = 10%	Boost bonus applied	[]
6.3.5	Verify Responsiveness weight = 5%	Historical speed factored	[]
6.3.6	Verify Profile Completeness weight = 5%	Completeness bonus applied	[]

6.4 In-Person Instant Session (Wave Logic)

#	Test Case	Expected Result	Status
6.4.1	Wave 1: ETA ≤ 5 min, Top 3 trainers, Immediate trigger	First wave fires immediately	[]
6.4.2	Wave 2: ETA ≤ 10 min, Top 3 trainers, if Wave 1 < 2 matches	Second wave triggers	[]
6.4.3	Wave 3: ETA ≤ 15 min, Top 5 trainers, if Wave 2 < 1 match	Third wave triggers	[]
6.4.4	Hard Maximum ETA Cap = 15 minutes	No trainer >15 min matched	[]
6.4.5	Matching stops after Wave 3	No further waves	[]

6.5 "Find Another" Trainer Logic

#	Test Case	Expected Result	Status
6.5.1	Tap "Find Another" after match	Previous trainer excluded for 10 minutes	[]
6.5.2	New scoring wave runs	Fresh wave of matching	[]
6.5.3	All rejected trainers excluded	No rematching same trainer	[]
6.5.4	All waves exhausted → status "exhausted"	Fallback screen: "All available trainers contacted..."	[]
6.5.5	No infinite loops possible	System stops after exhausting pool	[]

6.6 Membership Priority

#	Test Case	Expected Result	Status
6.6.1	Member receives +0.15 score bonus	Members matched faster/better	[]

SECTION 7: GPS TRACKING & EN-ROUTE

7.1 Starting En Route

#	Test Case	Expected Result	Status
7.1.1	Trainer taps "Start En Route"	GPS tracking activates	[]
7.1.2	GPS updates every 5 seconds (en route)	5-second refresh rate	[]
7.1.3	GPS updates every 15 seconds (in progress)	15-second refresh rate	[]
7.1.4	GPS stops immediately on session end	No more updates after end	[]
7.1.5	GPS stops immediately on cancellation	No more updates after cancel	[]

7.2 Live Tracking View

#	Test Case	Expected Result	Status
7.2.1	Trainer's live location on map	Location pin visible	[]
7.2.2	Trainee's location on map	Location pin visible	[]
7.2.3	Distance between parties (miles)	Distance displayed	[]
7.2.4	Estimated time of arrival	ETA displayed	[]

7.3 GPS Alerts

#	Test Case	Expected Result	Status
7.3.1	Weak Signal alert (accuracy > 50m)	"Weak GPS signal" message	[]
7.3.2	Stale Movement alert (stationary 2+ min en route)	"You appear to be stationary" message	[]
7.3.3	Distance Warning (> 0.5 miles apart during session)	Distance warning shown	[]
7.3.4	Address Mismatch (> 0.25 miles at session start)	Mismatch alert shown	[]
7.3.5	GPS Spoofing (> 2 miles jump in < 30 sec)	"Unusual location change" + account flagged	[]

7.4 Arrival Confirmation

#	Test Case	Expected Result	Status
7.4.1	Outdoor/Gym: Confirm within 0.25 miles (400m)	Arrival confirmed	[]
7.4.2	At-home: Confirm within 0.1 miles (160m)	Arrival confirmed	[]
7.4.3	Too far away → error	"You are X miles away. Must be within Y miles"	[]

7.5 Arrival Time Measurement

#	Test Case	Expected Result	Status
7.5.1	Arrival window starts when trainer taps "Start En Route"	Window begins	[]
7.5.2	OR 5 minutes before session start (whichever first)	Automatic start of window	[]

7.6 GPS Privacy

#	Test Case	Expected Result	Status
7.6.1	GPS only active during: en route, active session, arrival verification	No tracking outside sessions	[]
7.6.2	GPS NOT active when app is idle	Confirm no background tracking	[]

SECTION 8: SELFIE VERIFICATION

8.1 Selfie Flow

#	Test Case	Expected Result	Status
8.1.1	Selfie prompt appears when session Confirmed/En Route	Prompt shown to both parties	[]
8.1.2	Both trainer and trainee take/submit selfie	Upload successful	[]
8.1.3	Each person sees other's verification status	Status visible	[]
8.1.4	Both submitted → "Both verified — session can start!"	Success message shown	[]

8.2 Selfie Buttons

#	Test Case	Expected Result	Status
8.2.1	Tap "Take Selfie"	Camera opens	[]
8.2.2	Tap "Submit Selfie"	Selfie uploaded	[]
8.2.3	Tap "Retake"	Camera reopens	[]
8.2.4	Tap "Switch Camera"	Toggles front/rear	[]

8.3 Selfie Failure Handling

#	Test Case	Expected Result	Status
8.3.1	Camera fails to open	"Try again or switch cameras" with retry button	[]
8.3.2	Upload fails (network error)	"Upload failed. Tap to try again." with retry	[]
8.3.3	Poor lighting detected	"Move to a brighter area" message	[]
8.3.4	One user refuses selfie	Session CANNOT begin until both submit	[]
8.3.5	Selfie fails 3 times → manual verification	"Selfie verification failed multiple times. Manual verification initiated."	[]

8.4 Selfie Requirements

#	Test Case	Expected Result	Status
8.4.1	Valid image (minimum 100 bytes)	Accepted	[]
8.4.2	Maximum file size 5MB	Files >5MB rejected	[]
8.4.3	Only session participants can submit	Non-participants blocked	[]

SECTION 9: POST-SESSION SUMMARY & SHARING

9.1 Summary Generation

#	Test Case	Expected Result	Status
9.1.1	Summary auto-generated after session ends	Summary available immediately	[]
9.1.2	Trainer Name shown	Correct trainer name	[]
9.1.3	Workout Type shown (based on trainer specializations)	Types listed	[]
9.1.4	Duration shown (actual minutes)	Correct duration	[]
9.1.5	Calories Burned estimated	Calculation present	[]
9.1.6	Weekly Streak shown	Streak count displayed	[]
9.1.7	Sessions with this Trainer count	Count displayed	[]

9.2 Calorie Estimation (Spot Check)

#	Test Case	Expected Result	Status
9.2.1	HIIT session = 650 cal/hour	Correct estimation	[]
9.2.2	Strength Training = 420 cal/hour	Correct estimation	[]
9.2.3	Yoga = 250 cal/hour	Correct estimation	[]
9.2.4	Multiple styles → average calories used	Average calculated correctly	[]

9.3 Sharing

#	Test Case	Expected Result	Status
9.3.1	"Share as Card" generates styled card	Visual card with stats	[]
9.3.2	"Copy Deep Link" copies rapidreps://session-summary/{id}	Link copied to clipboard	[]
9.3.3	"View All Summaries" shows history	Total sessions, calories, minutes	[]
9.3.4	Share card accessible via GET /api/sessions/{id}/share-card	Public endpoint returns data	[]

SECTION 10: MESSAGING

#	Test Case	Expected Result	Status
10.1	Open Messages tab (chat bubble icon)	Conversations list displayed	[]
10.2	Conversations sorted by most recent	Most recent first	[]
10.3	Each conversation shows: name, photo, last message, timestamp, unread count	All fields shown	[]
10.4	Open a conversation	Chat screen opens	[]
10.5	Send a message	Message sent and appears in chat	[]
10.6	Tap "Back"	Returns to conversations list	[]
10.7	Create new conversation with trainer	New conversation created	[]

SECTION 11: PAYMENTS & PRICING

11.1 Session Pricing

#	Test Case	Expected Result	Status
11.1.1	Virtual session minimum = \$30	Enforced in pricing rules	[]
11.1.2	Outdoor session minimum = \$40	Enforced	[]
11.1.3	In-Home session minimum = \$60	Enforced	[]
11.1.4	Home Visit minimum = \$60	Enforced	[]
11.1.5	Revenue split: Trainer = 75%	Correct split	[]
11.1.6	Revenue split: Platform = 25%	Correct split	[]

11.2 Travel Fees (In-Home)

#	Test Case	Expected Result	Status
11.2.1	\$0.50 per mile over 2 miles	Fee calculated correctly	[]
11.2.2	Minimum travel fee = \$0	No negative fees	[]
11.2.3	Maximum travel fee = \$15	Capped at \$15	[]
11.2.4	Trainer receives 70% of travel fee	Split correct	[]
11.2.5	Platform receives 30% of travel fee	Split correct	[]

11.3 Discounts

#	Test Case	Expected Result	Status
11.3.1	Multi-Session: 5% off on 3rd+ session with same trainer	Discount applied	[]
11.3.2	Membership: 10% off with active subscription	Discount applied	[]
11.3.3	Stacking: 15% off for member on 3rd+ session	Both discounts stack	[]

11.4 Payment Flow

#	Test Case	Expected Result	Status
11.4.1	Confirm booking shows price breakdown	All line items visible	[]
11.4.2	Stripe payment completes	Payment successful	[]
11.4.3	Payment held in escrow until session completes	Held status	[]
11.4.4	After session: Trainer gets 75%, Platform keeps 25%	Correct distribution	[]

SECTION 12: MEMBERSHIP PROGRAM

#	Test Case	Expected Result	Status
12.1	Membership price = \$19.99/month	Correct price displayed	[]
12.2	Navigate to Profile > Membership	Screen opens	[]
12.3	Benefits listed: 10% discount, free boost, priority matching, early access, badge	All benefits shown	[]
12.4	Tap "Subscribe Now" → Stripe payment \$19.99	Payment processed	[]
12.5	Membership activates immediately after payment	Active status shown	[]
12.6	Tap "Cancel Membership"	Membership cancelled	[]
12.7	Membership active until end of billing period after cancel	Not immediately deactivated	[]
12.8	No pro-rated refunds	No partial refund given	[]

12.1 Membership Perk Rules

#	Test Case	Expected Result	Status
12.1.1	10% discount does NOT apply to sessions booked before joining	Only new bookings discounted	[]
12.1.2	Sessions booked while active keep discount even if membership expires	Discount preserved	[]
12.1.3	Active boosts continue when membership expires	Boost runs to its own expiry	[]
12.1.4	Free monthly boost resets on billing renewal	Reset confirmed	[]
12.1.5	Unused free boosts do NOT carry over	No accumulation	[]

SECTION 13: VISIBILITY BOOSTS (Trainers)

13.1 Boost Pricing

#	Test Case	Expected Result	Status
13.1.1	1 Day boost = \$9.99	Correct price	[]
13.1.2	1 Week boost = \$49.99	Correct price	[]
13.1.3	1 Month boost = \$149.99	Correct price	[]

13.2 Boost Effects

#	Test Case	Expected Result	Status
13.2.1	Profile Glow indicator visible on boosted trainer	Glow effect shown	[]
13.2.2	isBoosted Badge visible to trainees	Badge displayed	[]
13.2.3	10% matching engine weight bonus	Higher ranking in matches	[]
13.2.4	Priority placement in search results	Boosted trainer ranked higher	[]

13.3 Boost Analytics

#	Test Case	Expected Result	Status
13.3.1	Navigate to Profile > Boosts > Analytics	Analytics screen opens	[]
13.3.2	Impressions metric shown	Count displayed	[]
13.3.3	Profile Views metric shown	Count displayed	[]
13.3.4	Clicks metric shown	Count displayed	[]
13.3.5	Click-Through Rate shown	Percentage displayed	[]
13.3.6	Daily Breakdown (last 30 days)	Day-by-day data shown	[]
13.3.7	Timestamps in trainer's local device time zone	Correct timezone	[]

13.4 Free Boost (Members)

#	Test Case	Expected Result	Status
13.4.1	Member gets 1 free boost/month (1-day equivalent)	Free boost available	[]
13.4.2	Resets on billing renewal	New free boost appears	[]
13.4.3	Unused boosts do NOT carry over	No accumulation	[]

SECTION 14: CANCELLATION & NO-SHOW POLICIES

14.1 Trainee Cancellation

#	Test Case	Expected Result	Status
14.1.1	Cancel > 12 hours before session	\$0 penalty (free)	[]
14.1.2	Cancel 12-2 hours before session	25% penalty charged	[]
14.1.3	Cancel < 2 hours before session	50% penalty charged	[]
14.1.4	Penalty split: Trainer 75%, Platform 25%	Correct split	[]
14.1.5	Remaining amount refunded via Stripe	Auto-refund processed	[]

14.2 Trainer Cancellation

#	Test Case	Expected Result	Status
14.2.1	Cancel > 12 hours before	No penalty, full refund to trainee	[]
14.2.2	Cancel ≤ 12 hours before	Full refund + free session credit to trainee	[]
14.2.3	Trainer receives performance strike (≤12hr cancel)	Strike recorded	[]

14.3 Trainee No-Show

#	Test Case	Expected Result	Status
14.3.1	Trainee doesn't appear within 10 min of session start	No-show detected	[]
14.3.2	Trainee charged 50% of session price	Correct charge	[]
14.3.3	Remaining 50% refunded	Refund processed	[]
14.3.4	Trainer receives 50% (platform keeps 25% of that)	Correct payout	[]

14.4 Trainer No-Show

#	Test Case	Expected Result	Status
14.4.1	Trainer doesn't appear within 10 min	No-show detected	[]
14.4.2	Trainee receives 100% full refund	Full refund	[]
14.4.3	Trainer receives \$0	No payment	[]
14.4.4	Trainer receives performance strike	Strike recorded	[]

14.5 Performance Strikes

#	Test Case	Expected Result	Status
14.5.1	1-2 strikes → warning notification	Warning sent	[]
14.5.2	3+ strikes → account flagged for review	Account flagged	[]

14.6 Automated No-Show Detection

#	Test Case	Expected Result	Status
14.6.1	10 min after start, no GPS arrival → both notified	Notifications sent	[]
14.6.2	Trainee gets "Your trainer has not arrived" message	Message received	[]
14.6.3	Trainer gets "You haven't confirmed arrival" message	Message received	[]

SECTION 15: RATINGS & REVIEWS

#	Test Case	Expected Result	Status
15.1	Rate a trainer (1-5 stars)	Rating submitted	[]
15.2	Star Rating is required	Cannot submit without stars	[]
15.3	Written review is optional	Can submit without text	[]
15.4	Submit with text review	Review saved and displayed	[]
15.5	"Rate Your Session" notification sent 30 min after end	Notification received	[]
15.6	View trainer ratings/reviews	All reviews displayed	[]

SECTION 16: ACHIEVEMENTS & STREAKS

16.1 Trainee Achievements

#	Test Case	Expected Result	Status
16.1.1	First Session badge	Unlocked after 1 session	[]
16.1.2	5 Sessions badge	Unlocked after 5 sessions	[]
16.1.3	10 Sessions badge	Unlocked after 10 sessions	[]
16.1.4	25 Sessions badge	Progress tracked	[]
16.1.5	50 Sessions badge	Progress tracked	[]
16.1.6	100 Sessions badge	Progress tracked	[]

16.2 Streaks

#	Test Case	Expected Result	Status
16.2.1	Streak counts consecutive weeks with ≥1 session	Count accurate	[]
16.2.2	Streak appears in profile	Streak shown	[]
16.2.3	Streak appears in session summaries	Streak shown	[]
16.2.4	"Don't Lose Your Streak!" sent after 6 days w/o session	Reminder sent	[]

SECTION 17: NOTIFICATIONS

17.1 Notification Types (Verify Each Exists)

#	Notification Type	Trigger	Status
17.1.1	Session Requested	New booking received	[]
17.1.2	Session Accepted	Trainer accepted	[]
17.1.3	Session Declined	Trainer declined	[]
17.1.4	Session Reminder	30 min before start	[]
17.1.5	Session Started	Session in progress	[]
17.1.6	Session Ended	Session completed	[]
17.1.7	Session Auto-Ended	Virtual max duration	[]
17.1.8	Virtual Request	Instant match needed	[]
17.1.9	Virtual Matched	Matched with trainer	[]
17.1.10	Virtual Taken	Another trainer accepted	[]
17.1.11	Missed Acceptance	Session still available	[]
17.1.12	Late Warning	Running late	[]
17.1.13	Rate Reminder	Rate after session	[]
17.1.14	Streak Warning	Don't lose streak	[]
17.1.15	Boost Expiring	Boost expires in 24hr	[]
17.1.16	Payment Released	Earnings deposited	[]
17.1.17	New Message	Chat message received	[]
17.1.18	Trainer On The Way	GPS en route	[]
17.1.19	Selfie Verified	Attendance selfie submitted	[]
17.1.20	Summary Ready	Post-session stats ready	[]

17.2 Notification Preferences

#	Test Case	Expected Result	Status
17.2.1	Navigate to Profile > Notification Preferences	Settings screen opens	[]
17.2.2	Toggle individual notification types on/off	Toggles work	[]
17.2.3	Master Toggle: Push Enabled on/off	All notifications toggled	[]

SECTION 18: SAFETY, FRAUD DETECTION & REPORTING

18.1 Automated Safety Protections

#	Test Case	Expected Result	Status
18.1.1	GPS Spoofing: location jump > 2mi in < 30sec	Account flagged + warning shown	[]
18.1.2	Trolling: 3+ cancelled/fake requests in 1 hour	Account flagged for fraud	[]
18.1.3	High Cancel Rate: >50% on 5+ sessions	Trainer auto-flagged	[]
18.1.4	Suspicious patterns: rapid requests, mass cancellations	Automated alerts triggered	[]

18.2 Report a User

#	Test Case	Expected Result	Status
18.2.1	"Report" button on user profile	Button visible	[]
18.2.2	Report reasons: Inappropriate, Harassment, Fraud, Safety, Other	All options present	[]
18.2.3	Submit report	Report saved and acknowledged	[]

18.3 Block a User

#	Test Case	Expected Result	Status
18.3.1	Tap "Block User" on profile or in chat	User blocked	[]
18.3.2	Blocked user cannot message you	Messaging blocked	[]
18.3.3	Blocked user cannot see your profile	Profile hidden	[]
18.3.4	Blocked user cannot book sessions with you	Booking blocked	[]
18.3.5	Navigate to Profile > Blocked Users	Blocked list shown	[]
18.3.6	Unblock user	User unblocked	[]

SECTION 19: ADMIN DASHBOARD

#	Test Case	Expected Result	Status
19.1	Login as admin (admin@rapidreps.com / admin123)	Admin dashboard loads	[]
19.2	Dashboard: Total Users displayed	Count shown	[]
19.3	Dashboard: Total Sessions displayed	Count shown	[]
19.4	Dashboard: Total Revenue displayed	Revenue shown	[]
19.5	Dashboard: Active Trainers count	Count shown	[]
19.6	Session distribution chart (donut)	Chart renders	[]
19.7	Revenue over time chart (bar)	Chart renders	[]
19.8	View All Users (search + filter)	Users list with search	[]
19.9	View User Detail	Full user info	[]
19.10	Delete User	User deleted	[]
19.11	Send Message to user	Message sent	[]
19.12	Pending Verifications list	Pending trainers shown	[]
19.13	Verify/Approve Trainer	Trainer verified	[]
19.14	Reject Trainer	Trainer rejected	[]
19.15	Revenue Dashboard	Revenue data shown	[]
19.16	Payout Requests	Pending payouts listed	[]
19.17	Process Payout	Payout processed	[]
19.18	Issue Refund	Refund issued	[]
19.19	Transaction History	All transactions listed	[]
19.20	Top Trainer Leaderboard	Weekly sessions, rating, earnings	[]
19.21	Fraud & Safety: View flagged accounts	Flagged accounts shown	[]
19.22	Fraud & Safety: Take action (warn/suspend/ban)	Action applied	[]

SECTION 20: ACCOUNT SETTINGS

20.1-20.3 General Settings

#	Test Case	Expected Result	Status
20.1	Edit Profile: Update name, photo, bio	Changes saved	[]
20.2	Change Password (via Forgot Password flow)	Password updated	[]
20.3	Notification Preferences: Toggle types on/off	Changes saved	[]

20.4 Sound & Vibration Settings

#	Test Case	Expected Result	Status
20.4.1	Button Tap Sounds: On/Off (default: On)	Toggle works	[]
20.4.2	Vibration Feedback: On/Off (default: On)	Toggle works	[]
20.4.3	Notification Ringtone: Default/Soft/Silent (default: Default)	Selection works	[]
20.4.4	Mute All During Session: On/Off (default: Off)	Toggle works	[]
20.4.5	Mute mode silences all sounds during active session	Sounds muted	[]

20.5 Delete Account

#	Test Case	Expected Result	Status
20.5.1	"Delete Account" button at bottom of Profile	Button visible	[]
20.5.2	Confirmation dialog appears	Dialog shown	[]
20.5.3	Confirm: All data permanently deleted	Account gone	[]

SECTION 22: SAMPLE TRAINER PROFILE (Manual Point #11)

#	Test Case	Expected Result	Status
22.1	Sample profile visible in manual/onboarding	"Alex T. — HIIT/Strength/Boxing — 4.9 (284 reviews)"	[]
22.2	Pricing shown: \$40 Outdoor, \$60 In-Home, \$30 Virtual	Prices match	[]

CROSS-CUTTING CONCERNS

Authentication

#	Test Case	Expected Result	Status
CC.1	All protected endpoints return 401 without token	Unauthorized error	[]
CC.2	Expired token returns 401	Token expired error	[]
CC.3	Invalid token returns 401	Invalid token error	[]

Data Validation

#	Test Case	Expected Result	Status
CC.4	Missing required fields → 422 error	Validation error returned	[]
CC.5	Invalid data types → 422 error	Validation error returned	[]

Role-Based Access

#	Test Case	Expected Result	Status
CC.6	Trainee cannot access trainer-only endpoints	403 Forbidden	[]
CC.7	Trainer cannot access admin endpoints	403 Forbidden	[]
CC.8	Admin can access all endpoints	Full access	[]
